Spring Appeal

Thank you to all of those who generously contributed to our Spring Donor Appeal Campaign!

At Paws In Need, we're always looking for ways to reduce animal overpopulation and provide direct, affordable access to veterinary care. Our programs have made a lasting community impact by keeping homeless and companion animals healthy, safe and out of crowded shelters.

As the need in our local community continues to grow, more and more cats, kittens, dogs, and puppies are depending on the ongoing support of donors— people who believe that every animal and pet has a right to love and be loved.

Unlike donation requests from large national animal welfare organizations that arrive in your mailbox, Paws In Need is seeking local community-based support. Your donations go directly towards helping animals and pet owners most in need. These contributions provide vital resources necessary to sustain our mission and assist all animals in our community that suffer from disease, injury, neglect, or abandonment.

To keep pace with rising expenses and greater demand for our programs, we urge everyone to consider making a donation (of any amount) to be “the voice of kindness for creatures that have not voice.”

A chart that explains how hot is too hot for dogs to be outside

Three Rivers Police Department [Facebook] /

We do not want to sound like a broken record, but we need to remind every pet owner to remain vigilant when the temperature rises outside. Besides providing shade and water, do not walk your dog when the pavement is super-hot (check by putting you hand or your bare foot on the pavement – if it is too hot to leave it there, it is too hot for your dog), do not leave your dog in a car (even in the shade and cracking a window open does absolutely nothing to reduce the temperature inside). If you love your pet, do what is right and leave it at home on hot days, even on warm days the temperature inside a car can become dangerous and sometime fatal to your beloved pet.

Summer is a good time to declutter the house! Don’t know what to do with all the unwanted stuff? No worries, you can contact our volunteer, Linda Gray, if you have any items you would like to part with, such as jewelry that you no longer wear, gift cards that you just cannot use, that figurine just collecting dust, or anything that can be sold on EBay to generate proceeds for PIN.

Please contact Linda to arrange for pick up or drop off of items. Your donation will help us cover the costs of our vital programs to keep pets healthy and together with their loving families.
