

Winter Newsletter 2023

Paws In Need is a California 501 (c)(3) Non-Profit organization dedicated to improving animal welfare in our local community.

Best year ever since our inception – a record 1125 animals were assisted this year by our very small, but dedicated team of volunteers.

“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it is the only thing that ever has.”

-Margaret Mead

All we can say is... thank you. Thank you for being part of the Paws In Need community and for helping us end 2023 with something to feel good about!

Together, we exceeded our 10-year anniversary year-end campaign goal! These funds will help sustain vital programs to improve animal welfare in our local community in the year ahead!

Thanks to your generosity—and your commitment to animals and pet owners in need—our life-saving programs made a real difference in the lives of **1125** animals assisted by

Paws In Need in 2023.

Your support allows us to continue making a lasting impact in the communities we serve by directly assisting dogs and cats suffering from disease, injury, neglect or abandonment.

And your thoughtfulness gives us the resources necessary to reduce animal overpopulation and to ensure that animals and pet owners receive the love and compassionate care they deserve!

Thank you for being the voice of kindness for those creatures that have no voice and for pet owners experiencing financial hardship.

As we start experiencing colder weather and freezing temperatures, please take care of your furry friends and remember to keep them inside.

What temperature is unsafe for animals?

The temperature must not fall below **45 °F for more than 4 consecutive hours** . For dogs that are not acclimated to lower temperatures; breeds that are sensitive to the cold (such as short-haired or toy breeds); and elderly, young, sick, or injured dogs, the temperature must not fall below 50 °F.

What temperature is too cold for pets?

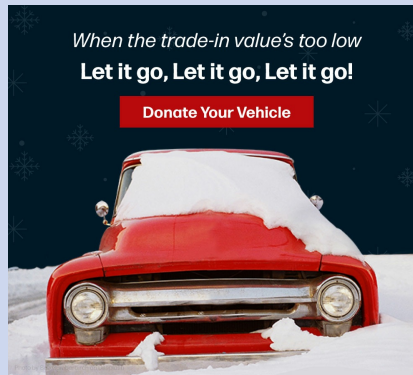

Below 45°F – Some cold-averse dogs might begin to feel uncomfortable. Below 32°F – Owners of smaller breed dogs, dogs with short or thin coats, and/or very young, senior dogs, dogs with health conditions, or sick dogs should pay close attention to their pet's well-being.

Paws In Need is thrilled to announce that we have received a generous Walmart/Sam's Club Community Grant award from the San Ramon facility. These funds will help support our low-cost spay & neuter programs in the Tri-Valley area, as well as provide cost-share financial assistance to pet owners for one-time urgent care veterinary services.

Walmart Foundation Quote:

"We seek to create value in the communities around the world where we operate, strengthening them through local grants supporting programs that help them thrive."

Vehicle Donations are Tax-deductible.

Turn your unwanted vehicle into something more productive! We accept vehicle donations as a form of support. The tow is free, and donating is easy! Fill out our secure online form by visiting <https://www.careasy.org/nonprofit/paws-in-need> or call (855) 550-4483 to speak with the vehicle donation support team.

Vehicles are not limited to cars or trucks; it includes RV's and motorcycles.

We are also offering a real estate donation program.

Similar to vehicle donations, you may have land or property you no longer wish to own due to inconvenience or expenses. Our program, Giving Property, will evaluate, list, and sell the donation so Paws In Need can receive the proceeds. Call (855) 550-4483 for more info.

Don't know what to do with all the unwanted stuff? No worries, you can contact our volunteer, Linda Gray, if you have any items you would like to part with, such as jewelry that you no longer wear, gift cards that you just cannot use, that figurine just collecting dust, or anything that can be sold on EBay to generate proceeds for PIN.

Please contact Linda to arrange for pick up or drop off of items. Your donation will help us cover the costs of our vital programs to keep pets healthy and together with their loving families.

You can reach Linda at 925-243-1225 or e-mail her at lmmattner@sbcglobal.net

Facebook Fundraiser.
