Help Us Help Them

Daisy's Story

By Margaret Urquhart

Daisy

"Daisy" is an 8 year old cocker spaniel who came to Bishop Ranch Veterinary Center and was helped by Paws In Need's Just Like New program. This single parent home is raising a special needs daughter. Financial help was provided for the cost of surgery to remove Daisy's eye that had glaucoma and was no longer responding to treatment thus causing Daisy pain and discomfort. Dr. Vega who performed the surgery two weeks ago just did a recheck on her and she is doing great managing with just one eye.

Another Animal Helped by Our Just Like New program

Mayday

"Thank you for everything that you have done for us. You have no idea how much it means to our family, and there's no "thanks" big enough to express how grateful we are for what you guys have done for our fur-baby. He's an amazing and lovable cat/family member, and we were going through so much. I am a single mom, trying to do it all on my own. I have two amazing children. I had just had spinal surgery with complications and was temporarily not working and was barely able to get out of bed. It was the holiday as well, and a very low point when Mayday's eye burst and was bleeding everywhere from his socket. I couldn't do much, but tried to do what I could. My daughter was in hysterics but trying to calm down and take care in soothing Mayday. I called

my neighbor/friend, and she and her friend rushed right over. They all took Mayday over to Bishop Ranch Vet Center where he was treated and operated on, having his eye removed and sewn shut. You gave us a holiday miracle and the best gift anyone could have ever gotten. It still makes me cry to feel how much you cared, and that there are some pretty amazing and wonderful people out there that give such miracles to those in need. Being the holiday, I know it wasn't ideal for staff to have to worry about this complication. But, you guys were there for us.

Thank you from the bottom of our hearts. If we can ever do anything for you, please don't hesitate to ask. We would love the opportunity to volunteer for anything you need. "

Sincerest Thanks, Heather

Charlotte,

"

We celebrate the outstanding run we had with Charlotte, thanks in large part to Bishop Ranch Vet Centers' efforts. In Charlotte's honor (and memory), I give you \$1,000.00 to be used towards providing treatments and comfort for pets whose owners can't afford it. Pass it on " woof well."

Peace & God Bless all Creatures,

Paws Applause

To Whom It May Concern:

My name is Eric O'Dell and I operate a sports website, HockeyBuzz.com. This year, as we do every year, we ran a season long fantasy game. It is a very hard game to win, as it requires entering and manipulating one's team for 26 straight weeks. This year's winner is a friend of your organization, Mr. Ken Peterson.

The grand prize for the fantasy game is an HDTV. It is Mr. Peterson's wish that Paws In Need receive the prize in memory of his beloved cat, Pike and the best vet in the world, Dr. Sue Marshall Fallon.

In lieu of a specific TV unit, Ken asked that the cash equivalent be sent to Paws In Need. So please accept the enclosed check for \$800.

Someone's no longer needed items turned out to be someone else's treasure at our annual Yard Sale event help in May. We want to thank all of the wonderful donations that made this event possible.

Terri Carlson, business owner of Milfleur gift store in Pleasanton generously allowed us to use her previous store location's side yard for the event.

Even with the occasional rain that fell the day of the event, we netted over \$2500! Of course one of our very wonderful supporters, **Karen Caldwell** of Caldwell Consulting, helped with this net amount donating \$500 to the event!

Thanks to all of the volunteers who made this event possible and especially coordinators **Kathryn Abdalian, Ellen Magnie and Dana Daley**.

1st Wednesday Street Party!

By Lisa Williams

A great time was had by all that stopped by our booth at Pleasanton's 1st Wednesday Street Party held May 4th. Organizers **Kirk & Stephanie Wagner**, along with **Lisa Williams**, met new supporters and spread our mission to educate the masses on the importance of spaying and neutering your pet. The Wagner's Frenchie "Pickles," and Pleasanton's own Roy Ficken with his famous rescue dog "Gandolf" were also there to greet all folks visiting our booth! This popular event not only introduced us to a brand new volunteer, but has resulted in the successful spay or neuter of 12 animals in need! Thanks to all who attended and to our great volunteers who tirelessly continue to give of their time at these events! Woof Woof!!

5th Annual Shred-a-Thon

By Lisa Williams

Paws in Need was proud to have the opportunity to participate in the Better Homes & Gardens Tri-Valley (BH&G Tri-Valley) annual shred event, held Saturday, April 23rd in Livermore. It was very well attended as consistent with prior years, with lines of people waiting to shred their personal documents and also support Better Homes & Gardens, Paws in Need and The Taylor Family Foundation in the process. PIN volunteers **Jeanne Annunziato, Lisa Williams** and **Anne Sanderson** were on hand to answer any questions, promote our programs, future fundraisers & initiatives, hand out treats and offer raffle tickets for 2 great prizes. We appreciate supporters like BH&G Tri Valley for providing the venue and hosting such a vibrant day! As a result, we have successfully spayed or neutered 8 animals in need as a direct result of people we met at this event! Kudos to all involved and paws applause!
