Heartwarming Tails

Lucy - A Lucky One!

By Lisa Williams

Lucy relaxing with her new dog friend

Danville Good Samaritans recently contacted Paws in Need for financial assistance with spaying and neutering a feral cat and her 4 kittens who were living near their yard. Admittedly dog people, they had no prior experience with cats. An assessment was done, a plan put in place that allowed the altering to begin. A total of 5 cats were fixed and now one named Lucy, was adopted by the family! She has settled into her lovely new home and gets along very well with her new brother Teddy who is a Malti-poo.

After this positive experience with Paws In Need, the Danville Good Samaritans asked their co-workers and friends if they would donate crates, cages, beds, toys or cash. They collected \$120 for our Spay/Neuter program, 2 crates, 2 beds and a case of food that was then distributed to those living on a very limited income.

The experience was a Win-Win! And Lucy hit the jackpot with her new wonderful family.

A HARD LANDING - Ziggy Looking for a New Home

by Pam Oshay

No one knows exactly how Ziggy fell out of the truck that horrible day, but this little 6-year old Puggle (Pug/Beagle cross) had a very hard landing onto the pavement six weeks ago. Thankfully, Ziggy's owners brought him to Del Valle Veterinary Hospital in Livermore where they initially treated Ziggy's extensive wounds and severe road rash. Veterinary technician, Lindsie Cuomo, instantly fell in love with Ziggy's sweet, loving nature. When Lindsie talks about Ziggy, you hear the affection in her voice. Ziggy's owners (a teenage boy and his single mom) sadly could not afford the cost to restore Ziggy's health and did not have time to devote to his extensive care. He was in need of surgery and daily bandage changes, so euthanasia seemed like the only option.

That's when *Paws in Need* stepped in.

Ziggy

Ziggy's teen owner and his mom made the unselfish decision to relinquish their precious dog to *Paws in Need* so he could be fully treated and hopefully live a full life. *Paws in Need* sent Ziggy to Amador Valley Veterinary Center where together with Del Valle Veterinary Hospital and Veterinary Technician, Lindsie Cuomo, Ziggy has healed and even had dental surgery to repair broken teeth. Lindsie has spent the last six weeks caring daily for Ziggy, bringing him home with her at night and spending weekends with him as well. Lindsie would have added Ziggy to her family however, she already has a full house of children and animals. She described him as the perfect little house guest. Ziggy is well on the road to recovery and is looking for the loving, forever home he so deserves.

Please call Lindsie at [925-339-5979](tel:925-339-5979) if you have room in your heart and home for this sweet, well behaved, loving little dog. This little guy is lucky...just one of the success stories that *Paws in Need* can share with our supporters. We at *Paws in Need* help cover the costs of veterinary care for dogs and cats who otherwise would not have a chance at recovery. *Paws in Need* helps these animals become "Just Like New" so they can go on and lead happy, healthy lives. Many thanks to our generous supporters for helping Ziggy and others like him find "a soft place to fall".

A Special Story and Home Needed

by Ivana Hui

Iris

Iris was brought to Ohlone Veterinary Emergency Clinic by a police officer who wasn't sure if Iris had had a seizure or had been hit by a car. She could not see and was malnourished, dehydrated, covered in fleas, afraid, and timid. We found her crouched in the corner of her cage most of the time. When we took it slowly with her, she warmed up a little bit and we found out that she loves being petted! The next day, she was much perkier and after rechecking her, we had discovered that she regained some of her vision! Her vision continues to improve every day along with her confidence and energy. She now follows us around and even comes when called sometimes! She is very sweet, snuggly, and purrs quickly when petted. We hope that Iris will be able to find a loving family and home.

Note: Iris has been treated for fleas and is FIV/FelV snap test negative. This is not a Paws In Need story-just the timing of our newsletter was perfect for getting the word out that this kitty needs a home.

Lover Boy Moose

by Lisa Williams

Moose

This big lover of a boy is Moose. He was unfortunately abandoned at a local pet store after being dropped off for training class. With the alternative of being taken to a shelter where pit bulls are often euthanized, one of the trainers took him, tried to find him a home and she found one! She contacted us to ask for help from our low cost spay/neuter program and we were eager to help. Moose has gotten a clean bill of health at one of our supporting vet offices and is doing well in his new surroundings. Who could abandon this handsome 9-month old puppy? Thanks to another Good Samaritan, he will have a great life!

Pumpkin Painting and Milfleur's Open House

by Cindy Ferrin

The last Saturday of September found dozens at our Paws In Need Pumpkin Painting event in Pleasanton. Participants could take their painted pumpkin home for a \$10 donation or it could be left at Milfleur's downtown Pleasanton store at 728 Main Street to be sold. Thanks to Jill Mattson who organized this event and negotiated many donated pumpkins from Trader's Joe. Thanks also to Jerry Prettyman and Hathi Winston who also procured donated pumpkins from Gene's Fine Foods in Pleasanton and purchased even more to donate. Plus thanks to Terri Carlson, owner of Milfleur, who also got donated pumpkins from Safeway and Trader's Joe.

Meanwhile Terri had her creative artists including herself paint pumpkins for the Open House that was held at her store on Friday night, October 2nd. Milfleur is selling these pumpkins for a donation throughout the month of October. Please drop by to say hello, check out the painted pumpkins and the many wonderful gift items her store offers, and thank her for supporting Paws In Need. The money raised at Milfleur helps animals with a medical need.

Thanks to volunteers **Leslie Haas, Karen Simon, Jim Stuhlman** and **Cindy Ferrin** for representing Paws in Need at this Milfleur Open house event.

Paws & Outlaws Annual BBQ

by Lisa Williams

Another great time was had by all at our annual fall BBQ event held in Livermore wine country. The event was hosted by our dear friends and supporters, Charles and Alice Crohare, proprietors of The Olivina, and also avid animal lovers. Some of our esteemed guests are pictured below. Honorable Mayor John Marchand of Livermore with Charles Crohare, Sr. and PIN Board members and event co-chairwoman, Lisa Williams and Bea Bauerly, Alice Crohare and friends the Rodins of Rodin's Farm who came all the way from Fresno to attend. Everyone enjoyed delicious BBQ and great live music by Blue House Band. See y'all next year!

Dogtoberfest, Paws In the Park and Farmer's Markets

Paws In Need recently participated at Livermore's Dogtoberfest event, at Paws In the Park in Pleasanton and at Farmer's Market in Pleasanton and San Ramon. Many thanks go to Outreach Coordinator **Pat Adamcek** who organized these events to inform the public about us, our mission, and what we provide to the community.

Also thanks to those volunteers who worked with Pat to make these events possible: **Bea Bauerly, Sue Grissom, Leslie Haas, Lisa Williams, Hathi Winston**
