925 GIVES Was a Huge Success!

Paws In Need is sincerely grateful for the privilege of participating in

925 GIVES -

a community-wide online fundraising campaign to benefit local nonprofits. Our organization raised \$2,500, funds which are already making a difference for dozens of local animals.

Your donations will help:

- 🐾 Pet owners are able to receive assistance for emergency procedures.
- 🐾 Families don't have to choose between vet care and basic needs.
- 🐾 Fewer animals enter overcrowded shelters.
- 🐾 Our community stays compassionate and strong.

Thank you for your generous support of our mission. Together, we can continue making tails wag and hearts heal—one paw at a time.

Help Us Meet Our Goal

For every 2 dollars raised, CHEF will match it with 1 dollar, and since CHEF does not charge processing or administrative fees, **150% of all donations** go directly to support Paws In Need programs!

That means if Paws In Need receives \$30,000, CHEF will contribute an additional \$15,000, **to hit our target goal of \$45,000!**

Amplify Your Impact

With CHEF's generous match, all funds donated to the ***Pawsitive Change for Good Campaign***, have an even greater impact in reducing animal overpopulation and ensuring that community animals and pet owners receive the love and compassionate care they deserve!
