Empowering Community Compassion for Animals in Need

A New Year Brings Our Innovative New Website, Redefining User Experience

We are excited to announce the official launch of our completely redesigned website scheduled to go live later this month. The new site delivers a streamlined, modern, and feature-rich digital experience designed to better serve our supporters, partners, and surrounding community, while showcasing our organization's impact.

Stay tuned for the press release.

As we begin 2026, we encourage everyone to remember that there are so many loving dogs of all ages currently in shelters waiting for their forever homes. If you are looking for a new companion, mixed-breed dogs make incredible pets — loyal, lovable, and totally unique. If you're ready to add a furry friend to your life, start at your local shelter. The perfect pup might be waiting for you right now.
